Illustrated Pattern Book,

No. XIX.

JUNE, 1907.

Sowerby's Ellison Glass Works,

Limited,

Gateshead-on-Tyne, England.

PREFACE.

Sowerby's Ellison Glass Works (Limited), in issuing their New Book XIX. beg to call special attention to their revised list of prices, and would also feel obliged if their connection would kindly note their title.

SOWERBY & NEVILLE AND SOWERBY & Co., have now merged into the name of the Company which represents this heading.*

The Company also desire to call attention to the first 16 pages of illustrations, which, for the benefit of shippers, are arranged in services, and which they trust will be found easy of reference.

The other articles not made in services are arranged as heretofore in alphabetical and numerical order.

All articles are drawn one-third the actual size.

* The old title of Sowerby & Co., Limited, could not be registered from the circumstance that there was a Limited Company already by that title in Lincolnshire, so this change of title was insisted upon by the Registrar of Limited Companies.
